You will want to pack light as we will be taking all of our gear with us. We generally pack 2 dry packs (backpack size) with our gear and sleep on our inflatable board or in a tent. This is a lake so there is no set area to paddle. Part of the adventure is sticking with the group but, if you prefer, you can go off on your own as long as you have a paddle buddy. We are looking forward to going on this adventure with you. Please feel free to reach out with any questions.
